Quem é a elite do atraso?

Como pensa e age essa parcela da população que controla grande parte da riqueza do Brasil?

Onde está a verdadeira e monumental corrupção, tanto ilegal quanto "legalizada", que esfolta tanto a classe média quanto as classes populares?

A elite do atraso se tornou um clássico contemporâneo da sociologia brasileira, um livro fundamental de Jessé Souza, o sociólogo que ousou colocar na berlinda as obras que eram consideradas essenciais para se entender o Brasil.

Por meio de uma linguagem fluente, irônica e ousada, Jessé apresenta uma nova visão sobre as causas da desigualdade que marca nosso país e reescreve a história da nossa sociedade. Mas não a do patrimonialismo, nossa suposta herança de corrupção trazida pelos portugueses, tese utilizada tanto à esquerda quanto à direita para explicar o Brasil. Muito menos a do brasileiro cordial, ambíguo e sentimental.

No âmago da interpretação de Jessé não está a corrupção política. Para ele, a questão a partir da qual se deve explicar a história passada e atual do Brasil - e de suas classes, portanto - não é outra senão a escravidão.

Sob uma perspectiva inédita, ele revela fatos cruciais sobre a vida nacional, demonstrando como funcionam as estruturas ocultas que movem as engrenagens do poder e de que maneira a elite do dinheiro exerce sua força invisível e manipula a sociedade - com o respaldo das narrativas da mídia, do judiciário e de seu combate seletivo à corrupção.

título	: A elite do atraso
