'SEXY!!!... I'm obsessed.' ⭐⭐⭐⭐

'I just loved everything about this book.' ⭐⭐⭐⭐

Bad boy. Player. Commitment-phobe. Husband?

I'm Mac.

But you already know that, right?

You probably recognize my voice...

I'm the radio host with a f***-me-now baritone who sends a shiver down your spine when you sip your morning coffee - along with the rest of Sacramento's female population.

If there's one other thing you should know about me, it's that I'm a lone wolf.

Hell yeah, I get my fair share of the ladies. *Plural*.

But I've never been a one-woman man.

Not since my last screwed-up relationship.

Not since the drama, all the guilt, that has haunted me ever since.

These days, there's only so much hurt I'm willing to give or take.

On the outside, I might seem perfect: blue eyes, built, a brave, alpha attitude.

But every day is another battle with my demons. A struggle to stay afloat.

And yeah, that fight's a whole lot safer on my own. For everyone.

But then I saw Kelley. She was alone, crying at the bus-stop.

From that moment, I knew she needed me.

I knew I needed her.

Full, sexy lips. Long chestnut hair. A dancer's body.

She's a work of art.

Next thing, our clothes are lying in a heap around us.

She's moaning in my arms.

She's screaming my name.

She's shivering in pleasure.

Before I know it, we're waking up naked. Except on my left-hand is a shiny, gold ring.

Kelley's not just a hot-as-hell one-night stand.

She's my wife.

I can't deny that I'm glad she's mine.

But knowing me, I'm not husband material.

Knowing my track-record, I'm bound to screw things up.

So how long is this thing going to last?

This is a full-length, standalone romance with some hot-under-the-collar action, no cheating and a guaranteed HEA. For fans of R.S Grey, Whitney G. and Vi Keeland, Accidental Groom features a sexy AF alpha and a steamy will-they-wont-they love story that

will have you completely hooked.
