política

Entre o Passado e o Futuro é, entre os livros de Hannah Arendt, aquele que faz pulsar simultaneamente o conjunto de inquietações a partir do qual esta admirável representante da cultura de Weimar ilumina, para usar uma de suas palavras prediletas, o discurso político do século XX. Ele contém praticamente todo o temário de sua obra, constituindo-se, portanto, num ponto de partida por excelência de toda a tentativa de interpretação e organização do seu pensamento.
