My family's whiskey empire needs to keep me as CEO. But thanks to my dad's will, to take my place as rightful head of the company, I need to find a wife. If I could just get my brother Sean's pain-in-the-arse best mate, Grace, out of my head long enough to focus on finding a decent woman.

The woman maddens me, but she's a longtime friend of the family, so giving her a job as my assistant is the only way I can keep everyone off my back. But the more time I spend with her, the more I find myself looking differently at this girl from my past.

Too bad she's decided not to give me the time of day.
