

Baixar O santo (PDF, ePub, Mobi) César Aira GRATIS

Em uma pequena cidade na costa da Catalunha nos últimos anos da Idade Média, vive um velho monge conhecido por ser um santo. Devido aos seus pequenos e abundantes milagres, tornou-se alvo da devoção e da peregrinação de fiéis de todo o mundo cristão. O convento onde vive se transformou em um próspero centro econômico graças às intermináveis peregrinações de aleijados, doentes, desesperadas e abandonadas que chegam de todos os lugares.

Ao sentir a proximidade da morte, ele decide voltar para a Itália, para desfrutar de seus últimos dias na paz de sua cidade natal. Diante da perda da principal fonte de renda para a região, as autoridades locais e o abade do mosteiro decidem contratar o melhor assassino para garantir a morte do monge, mantendo, assim, a sagrada relíquia de seu corpo na Catalunha.

Tem início então sua fuga pelos céus escarpados da Catalunha e as águas quentes do Mediterrâneo a bordo de embarcações gregas e ameaçado por piratas turcos, até chegar à África muçulmana profunda, quando literalmente troca o espírito pela carne e, afinal, reencontra o mal transfigurado.

Combinando o bizarro com o real, César Aira mais uma vez alia ficção, ensaio e humor em uma narrativa multifária, que desafia as classificações mais óbvias e já nasce indispensável entre sua numerosa e prestigiada bibliografia.
