

Baixar On China (PDF, ePub, Mobi) Henry Kissinger GRATIS

"Fascinating, shrewd . . . The book deftly traces the rhythms and patterns of Chinese history." —Michiko Kakutani, *The New York Times*

In this sweeping and insightful history, Henry Kissinger turns for the first time at book length to a country he has known intimately for decades and whose modern relations with the West he helped shape. *On China* illuminates the inner workings of Chinese diplomacy during such pivotal events as the initial encounters between China and tight line modern European powers, the formation and breakdown of the Sino-Soviet alliance, the Korean War, and Richard Nixon's historic trip to Beijing. With a new final chapter on the emerging superpower's twenty-first-century role in global politics and economics, *On China* provides historical perspective on Chinese foreign affairs from one of the premier statesmen of our time.
