

# Baixar Paul McCartney (PDF, ePub, Mobi) Philip Norman GRATIS

**Nesta biografia essencial, você encontrará tudo o que sempre quis saber sobre Paul McCartney mas não tinha certeza se era mito ou fato.**

Sim, Paul McCartney fumou maconha diariamente até depois dos sessenta anos de idade (e parou para não dar mau exemplo à filha pequena, Beatrice). Sim, Paul McCartney e Yoko Ono ainda hoje não se bicam. Sim, ele é considerado mão de vaca até pelos amigos íntimos. Sim, ele é um compositor erudito respeitado por seus pares. E não, ele não está morto. Muito pelo contrário.

No final dos anos 1950, quatro adolescentes de Liverpool se reuniram para mudar para sempre a história da música e o próprio mundo como até então era conhecido. A beatlemania andou de mãos dadas com a revolução cultural dos anos 1960 e, como líder incontestado dos Fab Four (a despeito da opinião dos adoradores de John Lennon), Paul McCartney foi um de seus protagonistas. Mas o autor de "Hey Jude" e tantos sucessos imortais não é apenas o ex-líder do Beatles. Quase

cinquenta anos depois do fim da banda, ele continua vivíssimo, no topo das paradas e elogiado pela crítica.

Aclamada no Reino Unido e nos EUA, esta biografia é a mais precisa e abrangente já publicada sobre Paul McCartney. Especialista em rock e profundo conhecedor da história dos Beatles, Philip Norman rastreia todos os passos do biografado com o precioso auxílio de entrevistas com membros de seu círculo pessoal. As versões de ex-namoradas, colegas, amigos, familiares e desafetos ajudam o autor de John Lennon: a vida a compor um retrato equilibrado do baixista canhoto que, um dia na vida, saiu de Liverpool com seu instrumento em formato de violino para transformar o rock numa grande arte.
