River,

It has been thirteen years since the war started, the bombs were dropped, and the central states became a thing of the past. When the war ended, a wall was erected to divide the surviving states from those destroyed. I never expected to go beyond the wall, but unlike all the others who volunteered to go, I wasn't given a choice.

With a dim knowledge of what I could do, the soldiers came for me. They took me beyond the wall where I learned that the truth is far more terrifying than I'd ever dreamed. Alone, with humans and demons seeking to learn what it is I can do, I find myself irresistibly drawn to the one man I should be avoiding most. One who intrigues and infuriates me. One who is not even a man, not really.

Kobal,

My entire life, I've had only one mission, reclaim my throne from Lucifer and put right everything that was torn apart when he was cast from Heaven. It's a mission I haven't wavered from, not even when the humans tore open the gates and unleashed Hell on Earth.

Now, I've never been closer to obtaining my goal, yet I find myself risking it all because I cannot stay away from her, a human who may be the key to it all.
